

REQUIREMENTS FOR SENIOR LOCKER DECORATING

1. In order to receive permission to decorate lockers, a responsible representative of the parent booster club must submit a written request with dates and times to the Athletic Director at least (1) week prior to the desired dates.
2. The preferred method of communication for the written request is e-mail. If permission is granted, retain a copy of the e-mail to use as a permit to provide to security staff upon entering the building.
3. Upon entering and exiting the school, everyone must use the main entrance only.
4. All senior locker decorating must be conducted within the time frame on the request.

RULES

- **NEW for Class of 2019 and beyond:** No food or drink are permitted in the locker. Prior years of school cleanliness and hallway disruptions have dictated this directive.
- **NO** balloons
- Only lockers of current seniors on the team can be decorated
- Lockers can remain decorated for a total of (14) calendar days and all items must be removed upon the expiration of this time period
- **DO NOT** use any hot or super glue on the locker as an adhesive; only masking tape is permitted
- Any supplies and materials used to decorate lockers must be purchased by the parents/guardians
- The school shall not provide any materials for decorating lockers and the custodians are not permitted to open any classrooms
- If any locker creates a disruption to the school environment, the student will be asked to remove all items before the custodial staff removes them
