

Student Assistance Program Liaison Outreach Newsletter

ANNOUNCEMENTS, RESOURCES AND RAISING AWARENESS

January/February 2024 Newsletter

What is SAP:

The Student Assistance Program provides screenings and recommendations for students in contracted school districts who are experiencing barriers in their learning. The goal of the program is to identify students who need extra supports for behavioral, social, academic, substance use, and emotional needs. **Please contact your school Principal or Counselor if you think your child/student would benefit from SAP.**

Check out our website to learn more about SAP and Allegheny Children's Initiative: <https://alleghenychildrens.org/our-services/student-assistance-program/>

P A S A P A N N U A L C O N F E R E N C E

Registration is now open for the PASAP annual conference at the Penn Stater Hotel. Many wonderful presenters will be on hand during the three-day conference. Mandy Sable from ACI will be attending. Please let your SAP Liaison know if you plan to attend!

MENTAL HEALTH TIPS FOR WINTER

sunlight:

Take a walk outside, open your curtains, and/or invest in a light therapy lamp.

find things to look forward to:

Make plans for the future and come up with small everyday things that make you happy.

keep a journal:

Writing about your thoughts + emotions can be a great outlet.

seek therapy:

You don't have to struggle alone.

Upcoming Events & Links

Library Websites in School District ACI SAP services—

Libraries are a wonderful resource for people in the community. Many Libraries have classes and technology devices available. Below are the names and websites. Each website has information about hours and classes.

Interventions for Students who Struggle with Task Initiation

Clipart by Kate Redfield & Sarah Pecorino

www.thepathway2success.com

Pathway 2 SUCCESS

<p>Teach task initiation skills explicitly</p>	<p>Use a countdown timer</p>	<p>Incorporate areas of student interest</p>	<p>Provide directions orally & visually</p>
<p>Practice the "rocket ship countdown"</p>	<p>Reduce most challenging work</p>	<p>Train peer mentors to provide support</p>	<p>Use brain breaks between tasks</p>
<p>Make it a race to get started on work</p>	<p>Take turns writing to get started</p>	<p>Develop a work contract with rewards</p>	<p>Give more student choice</p>
