ADOPTED: May 28, 2014

REVISED:

707. USE OF SCHOOL FACILITIES

1. Purpose

The Board recognizes that although the primary purpose of the school buildings, facilities and property is to provide students with an appropriate learning environment, the Board may make school facilities available to individuals and community groups without discrimination and in accordance with this policy, provided the use does not interfere with the educational program of the schools.

3. Delegation of Responsibility

The Superintendent or designee shall implement administrative regulations or procedures for requesting and granting permission for use of school facilities and shall distribute the necessary information to individuals affected by them.

An application for use of school facilities may be disapproved because of noncompliance with established policy and procedures by the Superintendent and/or Business Manager/Board Secretary. Groups 2, 3 and 5 must provide proof of insurance. Group 4 must either provide proof of insurance or sign a liability waiver.

4. Guidelines

Outside organizations must provide a copy of liability insurance for a minimum of \$1,000,000.00 or signed waiver form. This insurance form/waiver must accompany your request when it is submitted. This form should show the McKeesport Area School District as additionally insured. Failure to comply will result in a delay or the denial of your request.
